

Hello Fall!

2024 Recap

2 YEARS DOWN!

It is WILD to think we are wrapping up two full school years and summers with PLP up and running! What a fun past few months it has been with the variety of classes and summer activities.

In January we added an Early Learner class for 4-year-olds, which was a huge success! We also added Science, Inventions, and Engineering classes! Seven more students joined in on classes as we finished out our spring trimester!

TUTORING

Several students continued attending tutoring sessions, ranging from kindergarten through 5th graders.

We had several fundraising events throughout the spring and summer including a Ladies Paint Afternoon, Bunco + Silent Auction event, 50/50 raffle and helping with a local food truck!

An extremely kind community member also agreed to match all donations throughout June and July, up to \$5,000! We not only hit but exceeded this goal!

In April we applied for two \$1,000 grants through the Kalispel Tribe of Indians; one for summer family field trips and one for a science experiment class this fall. They were so generous to award us with the full \$2,000!

Locations included:

Garner Caves

Boundary Dam

Indian Creek Community Forest

Sweet Creek Falls

Pend Oreille County Fair

Greenbluff

SUMMER FIELD TRIPS

These were definitely a highlight of the year!

GEARING UP FOR FALL CLASSES

SCHEDULE

Our Fall Trimester class schedule includes a Science Experiment class, Literacy class, and two sessions of Early Learners.

We have also added a travel day to Lone, Wa. This will consist of tutoring as well as our Science Experiment class. I can't wait to work with this community and bring services closer to these families!

If you have kiddos, or know of others who may be interested, there are still some open slots!

ENROLLMENT

It's so exciting to share that we are at our highest single trimester enrollment numbers to date, with 19 students signed up for classes and 4 students signed up for tutoring!!

God is good and we are continuing to grow!

Finally, It is vitally important to acknowledge the many faithful donors who continue to support us financially. This truly wouldn't be possible without your help, and I hope you know what an incredible impact you are helping make on the families and kids that walk

through the doors of PLP. THANK YOU!
